The Growing Forward 2: On-Farm Food Safety (OFFS) Implementation program in Saskatchewan is funding eligible equipment purchases at 50% up to \$750 per producer. To qualify, producers must attend a VBP workshop or take the VBP online training course, and have at least \$2,500 in livestock sales in a given year. There is also a NEW funding category for VBP Registered producers for this same eligible equipment at 50% up to \$2,000 per producer. To qualify, producers must have their operation VBP Registered by completing the on-farm audit. Note: Maximums remain at \$750 per neck extender under this category.

Please send applications to the Sask VBP office: Box 201, Beechy, SK S0L 0C0
